

Did You Know...?

 **Did you know** that the choices we make when selecting a Primary Care Provider or Health Plan have an impact on our health? Neighborhood Health Providers takes your health care needs very seriously. As a result we work closely with your Primary Care Provider to help you stay healthy before any conditions cause serious harm. We fully understand the role of your Primary Care Provider and, in turn, they understand how important you are as a member of the Neighborhood Health Provider Medicare Plan.

Take a moment to make an appointment with your Primary Care Provider. We are serious about improving your health. If you feel the same way, then join us in preventing serious illness and call your Primary Care Provider today for a routine visit. Your Neighborhood Medicare Plan offers you preventive routine visits to your Primary Care Provider, free of charge.

 **Did you know** that most routine coverage is provided in your neighborhood, making it even easier for you to seek access to your Primary Care Provider? These services have one major goal, namely, to keep you healthy and away from becoming a patient in the hospital.

We, at Neighborhood Health Providers as well as your NHP Primary Care Provider, fully understand that preventive medicine is a process, not a one time visit, and an on-going program with one goal in mind:

...keeping you healthy!

 **Did you know** that more than 40% of Americans have a chronic illness such as diabetes? Taking the necessary steps at the right time can prevent illness. Routine visits to your Primary Care Provider can help keeping you healthy and any existing conditions under control.

**We think
you're
worth
it!**

Our New Mother Gaston Office is a "Home-Away-From-Home!" 347-789-9297

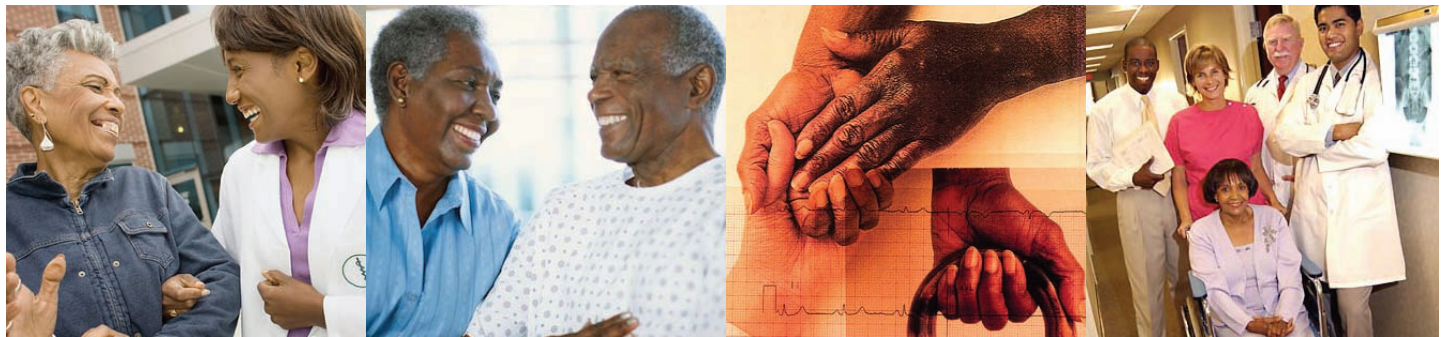

NHP is proud to announce the opening of our new community office at 372 Mother Gaston Avenue in the heart of Brooklyn. Special thanks to our wonderful partners who came out and helped make our grand opening event a success. This office brings us closer to our members and allows us to broaden our commitment to educate the community and provide easier access to quality health insurance. Our intention is to create a community atmosphere in our Brooklyn office by setting up *events and activities such as, checkers, chess, arts and crafts, and health screenings.*

The office is staffed with NHP Marketing and Member Retention representatives, who are trained to complete enrollments, assist with renewals, and respond to your member services needs.

Thank you, Brooklyn, for welcoming Neighborhood to your neighborhood. Now let our home be your home. Please come and visit. Your friendly NHP Representatives are there Monday – Saturday from 9 AM to 7 PM; no appointments necessary.

Neighborhood Health Providers and Medicare - the Perfect Partnership!

NHP is your FRIEND NHP is your FAMILY NHP is COMFORT NHP is your NETWORK

At Neighborhood Health Providers (NHP), you will receive quality health care from some of the finest hospitals, health centers, and doctors in New York City. Our Medicare benefit package is designed with you in mind and offers a wider range of services than those available with original Medicare. One of our more attractive value-added benefit is the Non-Prescription Benefit Card offered through Duane Reade. Our Medicare members receive this card quarterly to purchase over-the-counter, non-prescription, health related items or to help pay for their prescription drug co-payments. NHP prides itself on being your friend, listening and caring about your health. We want to make sure that you are satisfied and informed of your plan services, important dates, and benefit updates. We also want your feedback; let us know your experience as a Neighborhood member. Give us a call, at 1-866-345-0013 (TTY: 1-800-662-1220), or send us an e-mail, at neighborhood@Royalhc.com.

We are getting bigger everyday! Tell your friends and neighbors about Neighborhood Health Providers. *"We've got you covered!"*

Thank you for trusting us with your health insurance needs.

WE AT NEIGHBORHOOD HEALTH PROVIDERS ARE DEDICATED TO IMPROVING YOUR HEALTH CARE
